

Local food on Mediterranean track

Enorme Hotels Sustainable F&B Policy

We at Enorme Hotels & Villas embrace our responsibility for sustainability and strongly believe that the communities in which our hotels lie are the cornerstone of local cultural prosperity, economic growth and upgrading of the Mediterranean diet. We are committed to integrating leading environmental and social practices as well as sustainability principles into our business strategy. Through collaboration with our suppliers, owners, business partners, and guests, we will actively work to reduce the environmental and negative social impact of our business activities related to food and beverage sourcing, production, consumption and disposal and to continually improve and innovate on practices aimed at:

- procurement of food and beverage grown and produced locally within the communities where our properties are located
- buying from farmers who practice certified organic and sustainable farming
- setting measurable, time-bound goals and targets to source key agricultural inputs sustainably and outline clear timelines and targets for progress
- supporting Fair Trade practices and the procurement of commodities obtained through global Fair Trade processes and certifications
- working toward increased transparency and reporting around our procurement practices and disclosing key indicators related to the environmental, community and health impact of our procurement practices
- improving public disclosure about agriculture sourcing

The management team knows that our food and beverage strategy is multifaceted and are committed to being a leader with regard to sustainable methods of grown & produce of products which are frequently consumed from our clients and staff.

The management team is committed to develop and implement an ISO 22000 safety system for each chain hotel. Despite the main objective of the commitment to ensure the safety of the food hygiene, there is also the need of search for certified organic growers & farmers. In order to achieve this objective, we provide the necessary resources and training to our staff to carry out their respective duties using effective and normalized procedures, which are within our instructions, regulations and practices.

Furthermore and through our sustainable commitment, we emphasize to Mediterranean diet which is famous for its beneficial properties.

Even though, at Enorme Hotels, we acknowledge that achieving these goals is a long-term endeavor, we strongly believe that our efforts to support a healthy environment and sustainable local communities serve the interests of both current and future generations and constitute the foundation for long-lasting success.
